Grow and maintain your professional network and connect with experts to address your questions with ACG's **5 online communities, the GI Circles.**

6 Supporting Clinical Research

Provides **more than \$2.2 million dollars** each year to support clinical research.

5 Advocating for You and Your Patients

The ACG advocates for the gastroenterology profession to legislatures and policy makers on important issues to you and your patients, such as healthcare reform, reimbursement and regulatory process.

8 Practice and Professional Resources

Easy **access to key resources** with the ACG Mobile App:

- Guidelines
- Medical Calculators
- GI Anatomical Diagrams
- Podcasts
- Patient Resources

9 GI OnDEMAND

Exclusive access to the only GI virtual integrated care and support platform bringing multidisciplinary tertiary care to your practice.

10 THE ACG IS YOU!

The ACG continues to be “for gastroenterologists, by gastroenterologists”.

As a member-driven organization, you can rest assured that your best interests are at the heart of what we do. The ACG Board of Trustees, Governors and Committee Members are all fellow ACG members dedicated to developing programs and services that will have value for you as you treat patients and manage your practice.
