

David Y. Graham Lecturer

The David Y. Graham Lecturer is a distinguished individual in the field of gastroenterology. The presenter is chosen by the President and is subject to approval by the Board of Trustees. This named lectureship was established in 2004 in recognition of the many contributions to clinical gastroenterology by David Y. Graham, MD, MACG. The lectureship was made possible through a donation by Otsuka Pharmaceutical Co., Ltd., and Meretek Diagnostics, Inc. Dr. Graham gave the inaugural presentation.

2018 Lecturer

Carol A. Burke, MD, FACG

Management of Patients With Colorectal Polyps: A Personalized Approach Based on Etiology

Dr. Carol A. Burke, MD, FACG, is Immediate Past President of the American College of Gastroenterology and a past president of the Collaborative Group of the Americas on Inherited Colorectal Cancer. She is Vice Chair of the Department of Gastroenterology and Hepatology at Cleveland Clinic and has been a staff member there since 1993 after completion of her GI fellowship at the Clinic. She holds joint appointments in the Taussig Cancer Center and the Department of Colorectal Surgery. She is the Director of the Center for Colon Polyp and Cancer Prevention and leads the section of Polyposis in the Sanford R. Weiss MD Center for Hereditary Colorectal Neoplasia. She is internationally known for her expertise in inherited colon cancer syndromes and the

prevention of colorectal neoplasia.

Her clinical and research interests include prevention of colorectal neoplasia in sporadic individuals and those with inherited colorectal cancer syndromes. She has funded research through the NCI, NIH, USDA, and industry. She has been involved in the education of medical students, residents, and fellows since 1991, and has developed and coordinated the digestive disease curriculum for trainees in the in- and out-patient setting in the department, was awarded Teacher of the Year in 2014 by the GI fellows, and is the Chair of the GI Fellowship Clinical Competency Committee.

She has authored over 100 publications. She is a visiting professor and invited speaker at national and international conferences on the prevention of colorectal neoplasia and the inherited colon cancer syndromes.

She is past associate editor for *The American Journal of Gastroenterology*, reviewer for many journals including *Gut*, *Gastroenterology*, *Gastrointestinal Endoscopy*, *PLOS one*, *Alimentary Pharmacology and Therapeutics*, and *Digestive Disease and Sciences*, to name a few. Her passions include her family, yoga, and improving the wellness of herself, patients, and co-workers.
