ACG Case Reports Journal *Editorial Board*

The Committee helps support the GI fellows-in-training who serve on the *ACG Case Reports Journal* (*ACGCRJ*) Editorial Board and includes former Co-Editors-in-Chief (Co-EICs) of *ACGCRJ*. New this year were three internal medicine residents who served as *ACGCRJ* Social Media Ambassadors, taking charge of the @ACGCRJ handle on X and sharing interesting cases, image challenges, and more. In June, they published a reflection on their experience in the journal: **bit.ly/crj-sm-reflection**.

Daniyal Abbas, MD (Harlem Hospital Center), and Dushyant Dahiya, MD (University of Kansas), the 2025–2026 Co-EICs, completed their terms in June. Four Associate Editors returned for a second term, including new Co-EICs Arjun Chatterjee, MD (Cleveland Clinic), and Linda Jiang, MD (University of Michigan), supported by the slate of new Associate Editors and Social Media Ambassadors.
