The ACG Institute for Clinical Research & Education announces eight 2023 ACG Clinical Research Awards:

The ACG seeks original, patient-oriented research in clinical gastroenterology and hepatology, defined as:
1. Research conducted with human subjects
2. Research on new diagnostic and therapeutic intervention
3. Research on material of human origin such as tissues and specimens
4. Research that is translational in nature; i.e., has direct applicability to clinical care

NOTE: Studies involving animals will not be considered unless the work cannot be done in humans.

**ACG 2023 Junior Faculty Development Awards**
- $450k/ 3-year award (150k/ year)
- 50% protected time & career development
