ACG's NEW VIRTUAL Hepatology School
In order to maximize effective online clinical education, ACG will be offering Hepatology School as a flexible combination of on-demand education supported by engaging LIVE Q&A with expert faculty. With ACG’s NEW VIRTUAL Hepatology School, you’ll receive on-demand access to over 5 hours of recorded lectures delivered by world-class faculty. Each of the 16 lectures will help you improve clinical judgment and address the art and science of liver disease management. Videos will be available for viewing starting on Friday, August 14th. Watch the videos on your own time and have access to them for up to one year following the course.

Live Q&A Webcast Gives You Access to the Experts
Register by Saturday, August 22nd and you will also receive exclusive access to three LIVE Q&A webcast sessions! Liver disease experts, Dr. David Bernstein, Dr. Paul Kwo, and Dr. Mitchell Shiffman, will host LIVE Q&A sessions with the Hepatology School faculty on August 22nd from 2:00 pm - 2:45 pm and 4:45 pm - 5:30 pm, in addition to a 90-minute case-focused session with the entire faculty from 3:00 pm - 4:30 pm (Eastern Time). Attendees will have the opportunity to submit questions in advance and during the live broadcasts. As an added resource, the recordings of the Q&A sessions will be available to registrants following the sessions.
