

ACG ON-DEMAND EDUCATION

ACG 2021 FUNCTIONAL GI DISORDERS SCHOOL

will be offered as a virtual event, with both **On-Demand Education** and **LIVE Q&A Webcast** sessions!

ACG 2021 Virtual Functional GI Disorders School *Disorders of Gut-Brain Interaction*

In order to maximize effective online clinical education, ACG will be offering this Functional GI Disorders School as a flexible combination of on-demand education supported by engaging LIVE Q&A webcasts with expert faculty. With the ACG virtual Functional GI Disorders School, you will receive on-demand access to over 8 hours of recorded lectures delivered by world-class faculty. Each of the 18 lectures will help you explore some of the most common diseases that the gastroenterologist often faces in clinical practice, and assess ways to improve communication, diagnosis, and management of patients with IBS and other functional GI disorders. Videos will be available for viewing starting on March 26, 2021. Watch the videos on your own time and have access to them for up to one year following the course.
